Dear Parishioners,

Happy Easter. It is my sure hope and prayer that the glory of the Resurrected Lord fills your hearts with great hope and joy.

I want to take this opportunity to thank you for your prayerful support these last eight months during my absence from the community. It is with a heavy heart that I share with you my decision to tender my resignation as Pastor of Transfiguration of the Lord Parish in North Attleborough. This decision has not been made lightly. I have arrived at the decision after much prayer and consideration as to what is in the best interest of the entire parish. I had hoped that I would eventually return to the community but that will not happen. I want to express my gratitude and appreciation for the love and support from so many who have reached out to me during this challenging time. As a new day dawns in North Attleborough, I want to let you know that each and every single day I am gladdened by the good work that we accomplished as a parish and I will continue to pray for continued success for a very special community that I was proud to be a part of for almost four years.

Gratefully yours in the Risen Christ,

*Father Rodney*
